## SPRING IS HERE!!

Spring has finally sprung in Lytchett Minster and Upton and we're sure you'll agree that the flower beds around the town are looking spectacular.

The Queen's Platinum Jubilee weekend is nearly upon us when the country will be celebrating Her Majesty's 70 years of reign. What will you be doing to celebrate? If you're thinking of holding a street party, you have until 21 April to submit a road closure application to Dorset Council. The process has been simplified for the occasion and it's free. Find out more at [www.dorsetcouncil.gov.uk](http://www.dorsetcouncil.gov.uk).

To mark this special occasion, the Town Council will be decorating Lytchett Minster & Upton in Jubilee themed attire leading up to the weekend of celebrations. But we need your help! If you can spare a couple of hours during the week beginning 16 May to assist with putting up bunting, flags and banners then please contact Kate Osborne at Lytchett Minster & Upton Town Council for an informal chat.

# Do you have an electric vehicle?

What with the rising cost of fuel and the need for a cleaner environment, electric vehicles are fast becoming a popular choice for drivers. However, charging such vehicles at home can prove difficult. Dorset Council has committed to expanding the network of public charging points across Dorset. If you park your car outside your house on the public highway, it is important to be aware that it is unlawful to run a cable across a path, even with a protector, as it can pose a danger to pedestrians.
