If you are interested in making Lytchett Minster and Upton a better place to live, work and visit—then please get in touch and find out more about the work of your local council, and what activities we are currently engaged in.

Mr Mike Holmes

We advise that Mike Holmes has recently resigned his position on the Town Council. Mike has served since 2010, and took the role of 'Schools Liaison' and 'Recreation Ground Champion'. He was also heavily involved in working with the local school choirs at Christmas for the community carol service, and also the WW1 celebration day held in 2014, all of which were great community successes for the town.

The Town Councillors and Staff offer their sincere thanks to Mike for his service, and wish him and his family well for the future.
