ANNUAL TOWN ASSEMBLY

Around 22 members of the public attended the above meeting.

Following certificates to locals who had attended defibrillator awareness trainings, and cheques to Young at Heart, Citizens Advice Bureau and Victim Support, members of the audience were asked to raise their concerns.

These included parking issues, not enough waste bins in the town, Blandford Road South problems, Moorland Way surface and the introduction of wild-flower areas. The Planning process was also raised as a concern.

Councillors addressed all these issues and updated the audience. Comments were also made about the neat and tidy appearance of the town.

A very interesting talk was given on Birds of Prey, especially those native to our local area.

The evening concluded with refreshments.
