Open Spaces at Dacombe Drive and Factory Road

The Town Council has requested that Purbeck District Council transfer the parcels of land at Dacombe Drive and the corner of Factory Road into Town Council ownership. This transfer would then mean that we can protect 'the green lungs' of our community from further development now and for the future. PDC are now considering this request.

The Grove

We have been approached by a number of organisations interested in offering tennis/rugby coaching and after school clubs from the Recreation Ground at Sea View Road. We are working with these organisations to explore the possibility of bringing new activities into the area for the benefit of our young people.

The recreation ground car park is soon to be resurfaced—this will be a vast improvement. We will then look to seek funding to improve the hard surface space around the buildings.

The tennis nets are now up—why not pop down, get some fresh air and release your inner 'Murray'.

Volunteer of the Year

The Town Council have nominated Martyn Chase as the Purbeck District Council Volunteer of the Year for Lytchett Minster and Upton. Whilst Martyn is a councillor and is the 'Pavilion Champion', he is more often than not seen out and about the Town working with the ground staff. Additionally he is a key member of PACT, Speedwatch, and Chairman of the Gardening Club—he has demonstrated continued dedication to the improvement, safety and community of our town. This award is richly deserved—Martyn will be presented with his award in April at a ceremony held in Wareham.
