We are pleased to report that a local youth group has secured funds of £3,856 from SITA towards the refurbishment of the skate park at Warbler Close. Well done to all concerned. The Town Council has also contributed £500 towards this project and is working with the local youth and their leaders to improve this area.

Lytchett Bay View—Boardwalk Project Phase 2

The Town Council seeks to install a further 26 m sustainable plastic lumber boardwalk to connect with the Borough of Poole at our Lytchett Bay View nature reserve. In addition, coppicing and improvements to pathways will be undertaken as part of the funding bid.

This is an important natural amenity, free to access and can be enjoyed by all.

Take a wander down, and discover this hidden gem!
