Town Council celebrates 'Quality Town' success and hosts celebration of thanks to local volunteers.

The Town Council hosted an evening of celebration on Monday 10

September at St Dunstan's Church. Around 80 invited guests shared in an enjoyable evening to mark both the Town's achievement in obtaining Quality Town Status and to formally thank all those volunteers in the community who have given of their time to make 2012 a really special year. The Chief Executive of Dorset Association of Parish and Town Councils, Mr John Parker was there to formally recognise the quality status

accreditation, and announced that the Town Council now share an elite group of only 10% of parish and towns nationally that have worked hard to achieve this quality status. Lytchett Minster and Upton being the only Purbeck town, and one of only 7 county wide to have success in quality status achievement. Mr Steve McKenzie, Chief Executive of Purbeck District Council made the formal certificate presentation to Cllr Mrs June Richards, Chairman of the Town Council.

After hearing about the importance of community and working together from Cllr Griffin, local volunteers were awarded a certificate of appreciation. A light finger buffet finished off the evening, with the Town Chairman cutting a special celebratory cake in honour of the occasion.
