VOLUNTEER SESSIONS

Following on from our recent town wide survey, two sessions for those interested in volunteering in their community have been organised. These will be held at the Town Council Offices as follows:

Monday 5 September 7-9 pm

Tuesday 6 September 10 am 12 noon

If you would like to get involved in your community, have time to spare, a special skill to share, then you would be most welcome to join us to discuss how best you can get involved. This is a great opportunity to find out about existing voluntary organisations or to identify opportunities where you can support our community.

If you would like to find out more at our informal sessions, please ring 01202 632070 to register your interest.
