COMMUNITY

CAROLS

Father Christmas arrived in style - to a larger than ever crowd, an illuminated clock-tower and much festive cheer.

Last minute hitches saw Santa without a ride, so thanks to Breeze VW in Poole, who

provided free of charge (petrol, insurance and vehicle) a lovely VW Beetle Cabriolet, Santa was able to do his parade and wave to well wishers along the route. Hundreds gathered to sing along to the service led by Canon Rev de Garis, accompanied by the Salvation Army. The Infants School Choir, with their homemade lanterns, were the stars of the show.

Council at St Dunstan's Lounge to enjoy hot drinks and mince pies and to listen to music provided by 'The Wrinkle Pickers'.

A great night—thanks to all who helped and contributed.

WARBLER PARK OPEN SPACE

A couple of months ago we distributed a survey to around 50 households living near the Warbler Park Open Space. We wanted to find out what people would like to see this space used for after the removal of the old play equipment. To-date, only 4 replies have been received! Please let us know what you think—we are

holding back on any decision until we can get a better idea of what local people wish to see that area used for.

BIRTHDAY/ANNIVERSARY BANNERS

The Town Council would ask all local residents NOT to hang or fix such banners on public buildings, fences or signs. In its own way it is an act of vandalism, especially if damage results. Recently one had to be removed from the Clocktower, which took council staff quite a time as it had been stuck on with a strong glue.

UPTON CYCLEWAY: Residents will have noticed improvements being carried out to the town's pedestrian crossings, four of which are being converted to dual pedestrian/cyclist crossings, with improvements to the other two. This is Phase I of the Upton Cross to Upton Country Park Cycleway Scheme.

LYTCHETT BAY VIEW: Over the holiday period some damage occurred to the Lytchett Bay View boardwalk. We are indebted to our partners at the Borough of Poole for ensuring the repairs took place immediately at no cost to this Council. Thanks also to vigilant local residents who reported this to us.
