

MEET YOUR COUNCILLORS

Cllr Mrs June Richards

I moved to Upton in 1989 and worked in banking for 30 years. I have served as Chairman of the Town Council since 2012, and in 2014 I was elected Town Mayor.

I am Chair of the Finance and Administration Committee, and previously was Chair of Planning.

I am a founder member of Upton in Bloom and am currently Chairman. I assist at the local Young at Heart Club, and really enjoy my volunteering.

What year did you become a councillor, and what committees do you serve on?

2003—Finance & Administration, Amenities, Environment, Planning

What inspired you to join the Town Council? **Community involvement and having a say in what happens in our town. A voice for residents.**

What do you think is the most popular misconception about the work of the town council? **The powers councils have and the belief that councillors get paid.**

In your opinion, what is the hot topic of the moment? **Council services and how to finance them and the Policemans Lane Development.**

If you could ask each resident to make one simple change for the good of the town, what would that change be? **Become involved in the community.**
