## OVERGROWN HEDGES

It is once again that time of year where all things green start to grow, bush and flower. It is also that time of year when we get lots of complaints about overgrown hedges, which spill out over the pavement, and cause nuisance.

Please can everyone check their hedges, and ensure that if necessary they carry out the required cutting back if they are overgrown.

Thank you, we hope by everyone checking their property boundaries it will reduce the amount of complaints we receive, and subsequently the number of advisory letters that we have to send out.

## IT'S JUST FOUL!

Another common complaint is dog fouling. Please pick up the mess and deposit in a dog bin or litter bin. If you are unsure where your nearest bin is, please ring us and we can advise.

## Request for Help

The Town Council would like to erect a piece of art in wood/stone or metal within the town to commemorate the commencement of the centenary of the First World War. We are looking for someone with the necessary skills to design and produce this piece of art. All materials would be paid for by the Council. Please contact the Town Clerk if you feel you may be interested in this project.
