COMING SOON—A COMMUNITY DIRECTORY OF LOCAL ORGANISATIONS

After a successful first meeting of a town forum with key stakeholders, one of the first actions agreed was to create a community directory of local organisations and services for our residents. If you wish your organisation to be included in this, please contact the Help Centre for more details.

We are also keen to create a community diary of events, both on-line and in hard copy—we will keep you posted as both of these progress.
