## Lytchett Bay View—Further Funding Success

The Town Council are delighted to report that a further £16,047.25 has been awarded after a funding submission to Viridor Credits. Poole Borough Council have also committed £2,000 towards the project.

This will see the installation of a further boardwalk from our land to stretch across to the fields at Turlin Moor recreation ground. A circular walk will then exist around this area. This boardwalk will also mean that the sensitive reedbed is protected as the access will be further along the channel, and will negate the need for the reeds.

In addition, the access will be taken to the ground diversity of low and improvements to the existing pathway to the picnic bench will be carried out.

coppicing will be under-encourage more light to which should increase the lying plant life and insects

We are most grateful to all those organisations who supported this funding application, and we are sure that this will be a great enhancement to this local beauty spot.
