Moving Messages—Traffic Information

Many residents will already have noticed the variable message sign, located on the verge near Upton Oil Company. Partnership working with the Borough of Poole has meant that the sign has been installed at no cost to the Town Council. This sign will be used to alert road users to traffic congestion, lifting bridge status, but also the Town Council will be able to use this to promote a variety of activities and news within the Town.

Blooming

Marvellous!

The Upton in Bloom team has once again been busy admiring the Town's gardens. Firstly, well done to everybody who tends their gardens and keeps them in good order.

Winners:

- 1st 3 Cherry Hill Grove
- 2nd 7 St Annes Road

It's a clean sweep!

The Town Council are delighted to inform residents that the mechanical pavement sweeper will now be in operation for five days per month. This will enhance our street cleansing programme and ensure that our pavements are clean and tidy. Our street cleaning operative is trained and residents will benefit from this new

service in the next few weeks.

If you think your pavement could do with a sweep, or notice large amounts of litter, fly tipping or graffiti, please contact the Help Centre on:
