NEW SEAT FOR LYTCHETT BAY VIEW

The Town Council has recently installed a new wooden seat at Lytchett Bay View, courtesy of sponsorship by a local resident.

The Town Council had received a number of comments about the height of other benches at this location, and how they were too low for some users.

The new bespoke bench is taller than other benches, thus addressing the issue experienced by some visitors to our site.

1914-2014 CENTENARY OF THE FIRST WORLD WAR

There is a nationwide drive for local communities to mark the centenary of WWI. The Town Council would very much like to hear our residents views on how we should mark this occasion.

Some of the ideas currently under debate are:

1. An exhibition of memorabilia from local people whose family members were involved in WWI
2. The planting of poppies in and around the town
3. Purchase of a dedicated municipal seat

Please let us know your views on this. You can do this in person, at our Help Centre, by telephone, in writing, email or by contacting us via our website.

Help the Help Centre!

People are needed to work on a casual, as and when basis in our Public Help Centre in Moorland Way. Primarily to cover holidays, this varied and interesting role would suit someone with a customer service background. To find out more details, please contact Mrs Barbara Lake on 01202 632070.

COUNCILLOR VACANCY

There is still one vacancy to serve the community as a local town councillor. Please contact The Town Clerk for more information if interested.
