## Official Opening of Second Boardwalk at Lytchett Bay View

Rain definitely did not stop play! Brollies at the ready, we gathered to conduct the official opening of the second boardwalk at Lytchett Bay View at the end of July.

Secured with funding from Borough of Poole, Viridor, Wessex Water and a private individual, the new boardwalk linking Lytchett Bay View to the Poole playing fields was officially opened by council youth advisor Ben Howard for the Upton site, and Mr Terry Elborn, Habitats Officer, Borough of Poole.

The Town Council is pleased to have provided two perch style benches for community use. One of these has been purchased for the new

community garden adjacent to the Triangle Shopping Parade. The other has been sited along Moorland Way next to a bus stop.

### Watering our Flowers

We wish to reassure residents that when taking water from local washout hydrants to fill our mobile water bower, that we do have all the necessary permissions to do this.

Our Groundsman has been queried on this on a number of occasions, but we can assure you that it is all above board and correct.

We pay for a special licence to access water from the washout hydrants locally.
