## Town Council Supports Upton in Bloom Event

**The Town Council was pleased to be able to support the Fruit, Flower and Vegetable Show organised recently by Upton in Bloom.**

**With the help of Upton Home Hardware we had a great display within the Help Centre to promote this community event.**

**On the day, the Clerk and Office Manager manned an information desk and were able to provide information and support to residents on the services and initiatives offered by the Town Council.**

**This proved an interesting and worthwhile engagement with community members; and everyone was very impressed with the board displaying a range of photos of the Town's flowerbeds in bloom during 2010.**

Report from Cllr Mrs June Richards, Vice-Chairman of Council on her recent attendance at Poole Borough Council Civic Day

The Mayor of Poole, Cllr Chris Bulteel held a 'Civic Day' on Friday 3<sup>rd</sup> September to which LMUTC were invited along with mayors and chairmen from all over Dorset, Hants, and Wilts (even one from London)! The object of the day was to give visitors a flavour of Poole and surrounding areas with the emphasis (naturally) being on Poole.

The Town Crier welcomed all the guests who had gathered in the Peacock tearooms at Upton House and from

there we were taken to Poole Quay for the start of a very interesting day. As the journey took us through Upton it was an opportunity to raise the profile of the town and give the visitors a little of our history.

Poole has many interesting places and we could not possibly cover them all in a day but the Museum, Scaplens Court and Poole Quay were the main highlights.

Cllr Mrs June Richards  
Vice-Chairman of Council
