LYTCHETT MINSTER AND UPTON TOWN COUNCIL STANDING ORDERS 2026-27

**Adopted on: 12 May 2026
Review on: May 2027**

Model Issued By NALC / DAPTC 2025 (England)

INTRODUCTION

This is version two of Model Standing Orders 2018 (England) updated on April 2025. Update to Model Standing Orders 14 and 18.

How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Drafting notes

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

For convenience, the word "councillor" is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

A model standing order that includes brackets like this '()' requires information to be inserted by a council. A model standing order that includes brackets like this '[]' and the term 'OR' provides alternative options for a council to choose from when determining standing orders.

5. Any nominations to the position of Mayor must be submitted to the Town Clerk for consideration at the Full Council meeting in April of each year, in advance of the Annual Council Meeting in May. In an election year, the timescales will be adjusted to ensure that nominations can only be accepted from the official date councillors (newly elected and uncontested) take office.
6. Nominations must be made on a form to be supplied by the Town Clerk (see Appendix A). It is the responsibility of the person being nominated for the role of Mayor to arrange the completion of the form and to submit it to the Town Clerk by the deadline which will be 2 weeks prior to the April Full Council meeting as referenced in 5) above (except in an election year as referenced in 5) above). 12. Election of the Mayor will be by a secret ballot and the successful candidate will be the properly nominated Member with the majority of votes.
13. The Mayor can only serve for two consecutive years in the role unless no other candidates come forward. The election of a councillor as Mayor for consecutive terms beyond two years must be ratified by two thirds of Council by way of a vote at

the Annual meeting.

14. This procedure should be followed when electing the Deputy Mayor.
15. The position of Deputy Mayor is to support the role of the Mayor, deputising for civic events and ceremonies in his/her absence.
