## Recreation Car Park to be Re-surfaced

We are pleased to report that the recreation ground car park will benefit from a brand new tarmac surface. This work will take place from Tuesday **29 May until Friday 1 June 2018**. There will be no access to the Recreation Ground during these times—however pedestrian access is available via Oakley Gardens and French's Farm.

## Parking Plea!

The Town Council is constantly contacted by residents about the issue of inconsiderate parking. We all know that there are more cars than our drives can accommodate and that leaves us parking on our streets. Please—when you leave your car on a street please consider the following:-

- Am I causing a visibility issue to another road user or householder?
- Am I safely parked away from a junction?
- Could an ambulance or fire engine get through easily?
- Am I parking considerately and not blocking a driveway?

Hotspots identified as being issues in the past few weeks have been Douglas Close, Warbler Close and French's Farm Road.

Let's not suffer any accidents or incidents as a result of this issue!

## Town Councillor Vacancy

We welcome Mr Paul King, who took up his seat on 17 April 2018. Paul has been a local resident for some twenty years after a successful career in the construction industry. We are sure he will be a great addition to the team. We do however still have one vacancy—please get in touch with the Town Clerk for an informal chat about the role and what sort of things you could get involved in—no special qualifications or skills needed—just a desire to improve the area in which you live for the benefit of others.

## Anti Social Behaviour

We are still experiencing incidences of the above, especially in and around the Recreation Ground. Please, if you see anything, report to 101 or 999 if crime in progress.

You can also report this on line, <https://www.dorset.police.uk/do-it-online/>

Or if you don't have access to the internet or a computer, note down all the relevant details and contact us at the Help Centre as soon as possible and we will report it.
