DID YOU KNOW.....

Street Cleaning

Our roads are now NOT routinely swept so if you feel that there are areas within the town that would benefit from this service, we need to ask for it. Please let us know and we will make the relevant request.

Pavement Parking

We have been informed that powers are going to be coming in to force soon to enable untaxed vehicles parked on the pavement (including grass highway verges) to be removed. Please ensure that you follow the law and act compliantly

Horticultural Expertise for the Town

We are thrilled to report that our Assistant Head Groundsman, Jordan Down has successfully achieved his Level 3 Horticultural qualification from studying at Kingston Maurward College in Dorchester. We are proud of his hard work and dedication in balancing a full time job and study. Well done Jordan!

Dacombe Estate: Residents are asked not to drive over or park in the green spaces—safety concerns have been raised. If this practice continues the Council will look at installing bollards to prevent this.
