

PROPOSED HIGHWAY WORKS IN YOUR AREA

LOCATION: - Chelmsford Road, Upton.

To enable us to carry out essential highway maintenance works, we plan to close Chelmsford Road, Upton. between **16th and 21st September 2026**.

The road will be closed daily, between the hours of **07:00** and **17:00**, and will be re-opened to traffic overnight.

We will be carrying out Micro Surfacing to the area highlighted in red on the attached map. For the health and safety of all parties, vehicular and pedestrian access is only available by calling the telephone number listed on our onsite signage. This will allow residents to be escorted safely on and off site by a Traffic Management Operative.

Micro Surfacing can only be carried out when the road is dry. When it rains, the work has to stop causing dates to change across the whole programme of work. If we need to rearrange the date for these works the most up to date programme information can be found on our website using the below address/QR Code
<https://www.dorsetcouncil.gov.uk/w/live-updates>

During the closure periods there will be no on street parking available, and temporary parking restrictions will be implemented to prevent waiting or parking on the roads listed above. Please note that any vehicle waiting in contravention of temporary parking restrictions may be removed under the provisions of the Removal and Disposal of Vehicles Regulations 1986. If a vehicle has been removed, the owner must contact the Council's vehicle recovery contractor: Ashleywood Recovery Ltd/Bride Valley Recovery Ltd on 01305 889421.

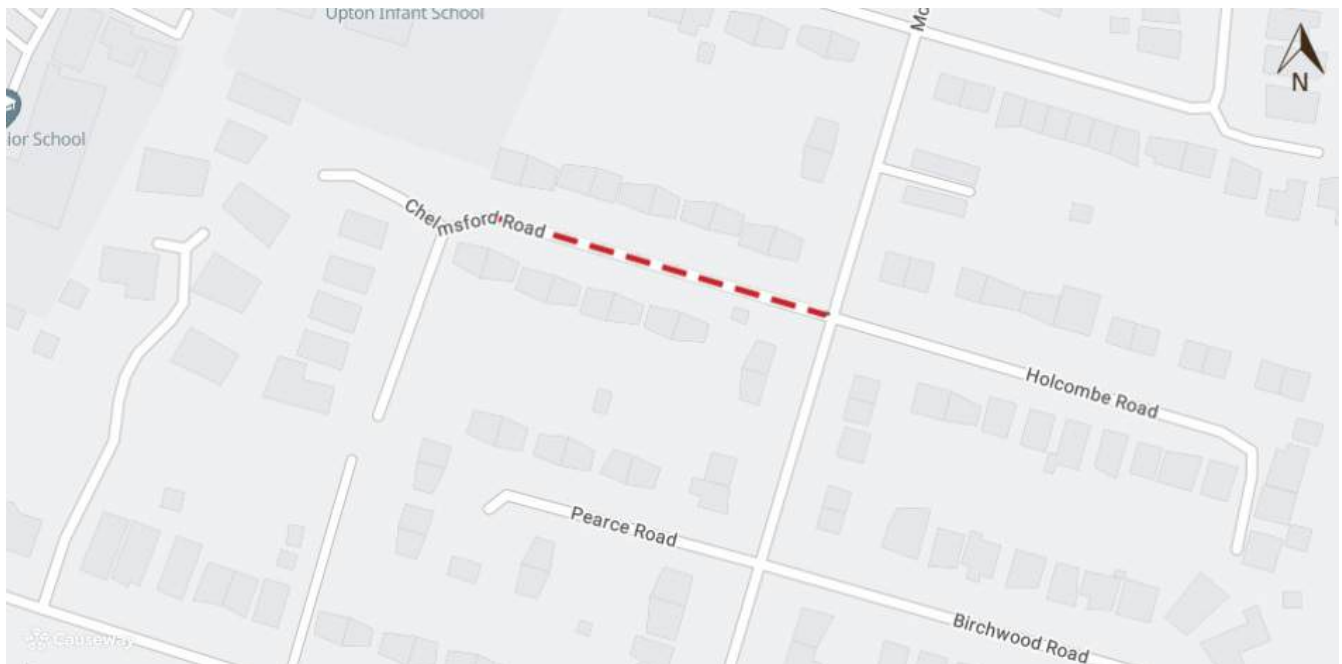

These works will be carried out by Eurovia on behalf of Dorset Council

If you wish to discuss these works in more detail, please contact me using the details below.

Yours faithfully

Matt Ings

Principal Project Engineer
Dorset Highways
